

EQUINE HANDLING

Safety Training Course

Target Audience: This course is designed specifically for animal control or any other government entity employees who may be called on to assist with equine or other domestic animals in their scope of work.

With classroom discussions, video demonstrations, and hands-on training, participants will learn the following:

- Basic body language of horses
- Proper methods to approach a horse
- Proper use of the tools of the trade (adjustable harness & lead rope)
- Do's and don'ts for loading and unloading a horse from a trailer
- How to lead a horse in/out of a stall and through a gate
- How to successfully manage nippy or pushy horses

Students will receive a Training Certificate!
